Dear Mr + Mrs Manley

a few lines to let you hear from me again. Hope these few lines will find you both well and happy, as it is leaving me.

My main reason for writing is to ask a question. I have just heard that I was no longer on your ball club, and that I was traded to Phila., so I am asking if it is true, because if it is true I would like to change my plans, so please, if it is n't asking too much, answer this letter right back and let me know. I haven't as yet received an answer from my last letter to you.

Well I guess there isn't any thing else I can say, so I am thanking you in advance for the information.

Yours sincerely

Leonard Pearson.
